## Description

**+++ PICK 'N PACK PRO +++**

Imagine you come into work in the morning and no two days are the same. This is exactly what awaits you during your training as a warehouse specialist at Denkinger. You receive deliveries, check the goods and make sure that everything is in the right place.

But that's not all. You will not only learn how to store goods properly, but also how to prepare them for shipping. And who knows, maybe you'll soon be out and about with a forklift truck, lifting heavy loads and carrying a lot of responsibility. With us, you have the chance to develop your skills and even get your forklift driver's license.

And remember: all doors are open to you at Denkinger. After two years, you will not only have completed your training, but also have the opportunity to further your career and become a warehouse logistics specialist. Do you like variety, are you hands-on and organized? Then you've come to the right place. Apply and become part of our team.

**Start of training**
1. September

**Duration of training**
2 years

**School-leaving certificate**
Hauptschulabschluss
