Crane operator (m/f/d)

Description

Do you have a knack for heavy loads and can work with millimeter precision? Then **DENKINGER** is the right place for you! We are looking for a **crane operator (m/f/d)** who can move our goods safely with skill and a sense of responsibility – without having to reach lofty heights.

Responsibilities

- Operating cranes (e.g. indoor crane, gantry crane, overhead crane) in the warehouse area
- Transporting, loading and unloading heavy goods and materials
- Positioning goods in the designated storage locations
- Ensuring proper storage and load securing
- Carrying out visual and functional inspections of the cranes
- Collaboration with the warehouse team to optimize logistics processes
- Compliance with safety regulations and guidelines

Qualifications

- Valid crane operator's license (e.g. for indoor crane or other crane systems)
- Experience in operating cranes in a warehouse or production environment
- Good knowledge of load securing and safe handling of materials
- Reliability, ability to work in a team and a high sense of responsibility
- Willingness to work shifts if required
- Physical resilience and technical understanding

Job Benefits

- Top-equipped, state-of-the-art vehicles
- Very good pay
- Very good opportunities for further development
- Regular further training
- [Practical workwear and fashionable leisurewear](#)
- Very good working atmosphere
