Description

Logistics is your thing? Do you keep an overview, even when things get hectic? Then we have just the right challenge for you!

As a dispatcher (m/f/d) in our own vehicle fleet, you and your team will ensure that our transports are perfectly planned and carried out smoothly. From standard tours to special transports – you will be responsible for scheduling, coordinating drivers, customers and authorities and ensuring that our fleet is optimally utilized**, either in our office in Ehingen or remotely**.

But that's not all: you contribute your own ideas, support project planning and actively help to further develop our department.

That sounds like you?
Do you love variety, enjoy planning and have a flair for efficient processes? Then become part of our team and help shape the future of our logistics!

Responsibilities

- Disposition of standard and special tours
- Collaboration in project planning
- Further development and expansion of your department
