Financial Accountant (m/f/d)

Description

Your next career step in financial accounting – flexible and future-proof!

Do you have an eye for numbers and are you looking for a part-time position that fits in perfectly with your life? Then you've come to the right place! As a Financial Accountant (20-30 hours/week) at our Ehingen location, you will take on responsible tasks in a modern working environment. We offer you flexible working hours, the opportunity to work remotely and a collegial team that will support you. Sounds like the right challenge for you? Then apply now and become part of DENKINGER!

Responsibilities

- Independent recording and posting of current business transactions in accounts receivable, accounts payable, asset and general ledger accounting
- Checking, controlling and processing incoming and outgoing invoices
- Monitoring open items and preparing the dunning process to ensure smooth receivables management
- Preparation of payment transactions and ongoing monitoring of incoming payments
- Reconciliation and maintenance of accounts, including clarification and correction of posting differences
- Ensuring proper financial accounting in compliance with legal requirements and accounting regulations

Qualifications

- Completed commercial training, ideally with further training in financial accounting
- Several years of professional experience in financial accounting.
- Confident handling of accounting software (DATEV) and MS Office
- Sound knowledge of accounting and tax law (in particular HGB, VAT law)
- Structured and independent way of working as well as a high degree of accuracy.
- Ability to work in a team and strong communication skills

Job Benefits

- Flexible working hours for an optimal work-life balance.
- A modern working environment with the option of mobile working.
- A collegial and supportive team.
- Further training opportunities.
