Forklift driver (m/f/d)

Description

Do you love it when everything runs smoothly and have a knack for big machines? Then **DENKINGER** is the right place for you! We are looking for a **forklift driver (m/f/d)** who has the skill and overview to ensure that our goods reach their destination safely.

Responsibilities

- Driving and operating forklift trucks to load and unload goods
- Transportation of pallets and other goods within the warehouse premises
- Ensuring the proper storage and organization of materials
- Carrying out simple quality controls and stock checks
- Maintenance of the work area and vehicles
- Compliance with safety regulations and quality standards

Qualifications

- Possession of a valid forklift driver's license (at least class B)
- Experience in handling forklift trucks and in logistics is an advantage
- Reliability, ability to work in a team and sense of responsibility
- Flexibility and willingness to work shifts (if required)
- Physical resilience and quick comprehension

Job Benefits

- Top-equipped, state-of-the-art vehicles
- Very good pay
- Very good opportunities for further development
- Regular further training
- [Practical workwear and fashionable leisurewear](#)
- Very good working atmosphere
